

CURRICULUM VITAE

CHANDAN MOHANTY

Web Developer

ABOUT ME

As a skilled developer with 2.5 years of experience in Core PHP, Laravel, jQuery, AJAX, JSON and Bootstrap 5, I have successfully completed over 35 projects. My proficiency in these technologies has allowed me to develop robust and efficient web applications, ensuring seamless data management systems, custom dashboards, and payment gateway integrations. I am committed to delivering high-quality services and meeting project deadlines while maintaining excellent communication and collaboration with clients. My dedication to excellence and continuous learning ensures that I stay up-to-date with the latest industry trends and technologies, enabling me to deliver top-quality projects on schedule.

WORK EXPERIENCE

● July 2021 - September 2023

Kalcorpdesignbuild

Software Developer

As an experienced professional, I specialize in managing multiple e-commerce websites and CRM projects concurrently. With a keen eye for detail and proficiency in project management, I ensure seamless operation and optimization of each platform. My ability to navigate various platforms and implement tailored solutions enables efficient management and enhances overall productivity.

● October 2023 - Present

Autus Cyber Tech Pvt Ltd

Web Developer

In my role, I oversee ERP website operations, focusing on HRM, CRM, and RMAP modules. I enhance data management capabilities by ensuring seamless connections with databases. My responsibilities include optimizing systems to maintain multiple data streams efficiently, improving accessibility, and facilitating informed decision-making processes. Through strategic planning and technical expertise, I contribute to the organization's operational efficiency and growth.
